Over a period, we have gained experience and expertise by offering on-time and efficient professional services to some of the esteemed companies.

CREW EXCELLENCE- HOW WE DO

- Motivated, Competent, qualified, loyal and experienced staff
- Our sea going background helps us to understand ships and crew
- Robust crew selection process
- Crew are Interviewed by our office staff
- High retention rate & loyalty
- We believe and treat, nurture Our crew as our best assets and we encourage them to be come Clients best asset.
- We believe in 'Beyond Compliance' thus encourage crew to develop higher and better skills by doing value added training.
- Brief crew well on Various central policies (D & A, Marpol, Safety...) and owner specific policies, terms and condition, need to be flexible, Obedience, respect each other and be good ship mate.
- Brief about vessel as best known to KRMSPL
- Very & rare cases of early Break of Contract, Disciplinary Dismissals, early terminations due non-performance and crew claim
- Request Ships/client to provide Crew Evaluation report that gives true picture of his/her performance, with training recommendations, suggestions for improvement for every crew with few days of sign off.
- Crew is contacted within 2/3 weeks of sign off and discuss re-joining plan, training needs, renewal of certificates and documents and last tenure. It will be the best way possible.

MEDICAL EXAMINATION FACILITIES

- We carry out pre-joining medical examinations of seafarers through DGS approved clinics over several years.
- KRMSPL believes in being Extension of Client and Contribute + Participate in achieving operational and commercial goals.
- KRMSPL can within given regulatory limits accommodate, adjust and Adopt policies that are mutually beneficial.
- KRMSPL Takes pride in long term and mutually beneficial association with client.
